*"We all have a song that somehow stamped our lives,
takes us to another place and time.*

So I go back..."
-Kenny Chesney

Everyone has that one song that takes you back; you hear those lyrics and suddenly you are instantly transported to a different time and place. As our theme for the yearbook this year, we chose to embrace that. We selected lyrics throughout the book that embody this year; songs. Songs that when we look back on high school, will make us laugh and smile. Whether it be walking down the hall dancing along to the music of the day, getting pumped up in the locker room before a big game, maybe a spontaneous dance party in the senior parking lot or some sweet techno Mr. Maguire has blasting. As we reflect, we know music shapes many of our memories and that's what this yearbook has attempted to capture. Small words of wisdom combined with the right chords or melody, are simply vital to our teenage years.

WHEN WE WERE YOUNGER...

And so we talked all night
about the rest of our lives,
where we're gonna be when
we turn 25, I keep thinking
times will never change
Keep on thinking things will
always be the same But when
we leave this year
we won't be coming back No
more hanging out 'cause we're
on a different track And if
you got something that you
need to say You better say it
right now 'cause you don't
have another day 'Cause
we're moving on and we can't
slow down These memories
are playing like a film without
sound And I keep thinking
of the night in June ... As we
go on, we remember All the
times we had together And
as our lives change from
whatever,
We will still be, friends
forever.

A group photograph of eight young men standing in a row outdoors. They are all dressed in formal suits, mostly in shades of blue and grey. The man on the far left is wearing a light-colored shirt and a patterned tie. The others are wearing white shirts and various ties. They are standing on a grassy area with trees in the background. The photo is slightly faded and has a vintage feel.
